

## Press Registration

The International Bear Association invites accredited media working for news organizations to register for a complimentary press pass. This conference will provide members of the media access to five information packed days of more than fifty presentations. Poster sessions will have over 100 posters for presentation. In addition to affording you access to these high quality talks, this event will include an exhibit hall comprised of 15 booths providing another great way to maximize your participation. View and interact with the companies offering the latest technology for researching, monitoring and managing bear populations.

We encourage members of the media and press to plan their participation now for the Fifteenth International Conference on Bear Research and Management. Apply today and secure your all access press pass to this must attend event. We look forward to confirming your participation and seeing you in San Diego.
